

SEASONS GREETINGS ALL!

The 2020 golf season has finally come to an end! It was defiantly one of the most challenging and unexpected years in many of our lives. But despite all of the craziness, it was a great year to play golf. Covid-19 was able to slow many aspects of life down, but the golf business was not one of them. Golf courses across the country experienced record participation as golf became a go-to safe haven for many Americans, and the Magic Valley proved to be no exception. With most of 2020 in our rear view mirror, I think we can all agree that 2021, with vaccines promised, will be a welcomed sight ahead.

Once again, we want to make sure all of you know how much we appreciate your continued friendship, support and loyalty. We know you have many options when it comes to spending your discretionary golf and entertainment dollars; thank you for choosing Canyon Springs! Please know your friendship is valued and greatly appreciated!

There is no better time to join our Canyon family! The 2021 Season Pass Schedule is attached below. Once again, this year we will be offering \$20.00 guest vouchers to all season pass holders. We encourage you to invite your golfing friends, family and co-workers to use these vouchers and enjoy some quality time in the Canyon. Also, our "pay early" price is significantly less than the "pay late" price again this year, so please take advantage of our early pricing. If you have questions or need to make a special appointment, just call us; our winter hours can be a bit random at times depending on road conditions, weather, holidays, etc., so please call us to make sure someone is manning the facility before making your consulting or shopping trip down into the Canyon.

Tyler Beebe, everyone's favorite superintendent, and his crew focused on getting the course in fantastic shape in 2020 and they definitely accomplished that. Yet, in golf, as in course maintenance, there is always room for improvement; we expect to have some new equipment and have challenged our maintenance team to use that new equipment to continue improving our course, and we encourage you to do the same with your golf game. With expectations for better golf ahead in 2021, I invite all of you to share our excitement with your friends and family.

Chef Billy and his team, within pandemic service limits, have been doing a great job keeping us fed and hydrated throughout this past year. Billy and his team would love nothing more than to host your next event... whether family reunion, employee party, customer appreciation day, business meeting, sports watching junket, birthday party, holiday celebration, or other spirited event or calendared get together with old friends. We are starting to book Christmas Parties for 2021 (and have 2022 & 2023 open dates for those compulsive about getting early reservations). Please call Chef Billy to schedule your special event with his top menu choices. Dates will go fast, especially during 2021. 208-734-7609.

We want to thank the 2020 Men's and Ladies' Association officers for donating their time and talent to lead our associations. Our events and leagues run very efficiently thanks to their preparation and commitment. Due to Covid's 2020 visit, twilight leagues started late, but once things got going, everything went smoothly. The committees and players should be commended. When you see your officers in passing, please take a second to thank them for volunteering and working so dilligently to make the Canyon a great place to play golf. Congratulations are due, also, to all the 2020 event winners!

The holiday season is here! We want to invite everyone to come visit the golf-shop staff for all your golf related holiday shopping needs. We currently have some amazing deals on everything in stock and are in a "wheelin and dealin" mood... So please dive into our inventory to find the perfect ball, shirt, hat, glove, club or accessories for each golf lover on your list.

Also, Gift Certificates and Punch Cards are now available for the 2021 season. There is no better way to say "Thank You", "I appreciate you" or "Merry Christmas" than giving a relaxing round of golf or a golf-focused shopping spree in the Canyon. As an added enticement, we have Gift Certificates for the restaurant, too, which can be used for food, beverages and events.

Once again for a better golf swing, Zach Ables, our favorite teaching professional, will be running special deals on private lessons, group lessons, club fittings and more. Contact Zach to see what he can do for you and your loved one's games. This year for season pass holders Zach is running two great deals: a 3 lesson series for only \$125, or his 5 lesson series for \$200. Contact Zach soon to sign up for these terrific instructional opportunities. 208-420-4095.

Once again for our preferred customers: for every \$50 you spend on merchandise or gift certificates in the shop, you will receive a complimentary round of golf during the 2021 season. Please take advantage of these deals and pick up some great gifts for your friends and family.

Please call us with your current email and phone number, or give contact data to us the next time you come down to visit. Even if you are sure we already have it, please check with us to confirm. Everyone who updates/confirms their contact information by March 1st will be entered into as drawing to win a slew of prizes. We will be giving away a bag, shoes, wedges, hats, gloves and more. But you must call us or come down to update and/or confirm your email and phone number, and mention that you want to be entered in the drawing. Last year we gave out a lot of great prizes... Don't miss out!

Thank you all once again for your continued support and friendship. We wish all of you a Happy Holiday, Happy Hanukkah, Merry Christmas, and a fantastic New Year. Please remember, if there is anything we can do for you, or if you have any questions, never hesitate to give us a call.

Cheers,

Your Friendly Staff @ Canyon Springs Golf Course
