

Hello Everyone!

Despite the craziness that the corona virus has brought upon us all, we sincerely hope all of you are safe and enjoying the spring as much as humanly possible. The exciting thing is there will be light at the end of the tunnel and we will get through this. We are already starting to see a little light over the horizon as we move into the fantastic month of May. Here are a few updates from your Golf Headquarters...

1 - As many of you know the Canyon has been super busy. Even with the pandemic the golf season is off to a roaring start and the course is in great shape. We have done everything we can to provide a safe and relaxing environment for you to escape to. Moving forward we plan to continue to do all we can to keep all of us safe while at the same time provide opportunities for friends and families to enjoy being outdoors playing a game we all love. With that being said we are making a few changes. On Monday, May 4 the golf shop and restaurant will be opening. On both sides we plan to keep traffic at a minimum and getting you checked in and out as fast as we can. We will still not be able to gather or sit in the bar but Chef Billy will have the kitchen open for to go orders. If all of us will use common sense and respect each other's bubbles we are confident we can and will all stay safe and enjoy some fantastic summer golf.

2 - Canyon Springs Men's Association are hoping to kick off its twilight season on Thursday, May 21. The first night will be the Men's Team Scramble. ALL twilight teams that are planning to play this year please let your team members know and gear up for a great night. Team Captains, please contact your teams and invite them to join us. Please bring cash or check to pay for your Men's Associations and Twilight Dues, they will be due that night. Unfortunately we will not be serving food for the first couple weeks and we will have to forgo gathering afterward. This will only be for

the first couple weeks and then we will be back to normal. Thank you for your understanding and cooperation in advance. Once again Canyon Springs Hall of Famer Tony Haines will be our twilight leader... thank goodness. Special thanks to Tony for all he has done and continues to do for our association. Also, for those who don't already know we have a new Men's Association President. Our very own Jordan Gentry will be leading the troops this year. Special thanks to Jordan for stepping up. If you have any questions please let us know and help us spread the word.

3 - The golf shop is packed with a good variety of the latest and greatest in 2020 golf merchandise. We have new clubs, shoes, clothes and more. We also have Ping, Callaway, TaylorMade, Mizuno, Titleist, Cleveland and more demo clubs ready for you to try. So no matter what you are looking for or want to check out, please give Canyon Springs Golf Shop the opportunity to serve you and all of your merchandise needs.

4 - Zach is extending his lesson promoting to all club and association members. 3 lesson for only \$100. So whether you need work on your driver, fairway wood, Irons, wedges, short game, putting or mental game... give Zach the opportunity to change your life with a regular tune-up or a much needed over-haul.

5 - As of now we plan to start hosting tournaments and events in June. This means the Canyon Classic will be held June 13 & 14. This will be a great event with a new format and new look. The format will be 2 Person Teams & Eclectic will be the format. Help us spread the word please. Keep your eyes open for more details, information and a flyer coming soon.

6 - Ladies... We have not forgotten about you at all! In fact we are working on deciding what date will be best to get Ladies Twilight kicked off. Please stay tuned and we will be getting in touch with you very shortly with an

update and plan of attack. Keep in mind if you haven't already sent in your association or twilight dues you can do that anytime. *Ladies Association Registration Form is attached*

Once again we want to thank everyone for your friendship and support. Even though we are living in odd times and we are not really sure what to expect, one thing we can do is help each other, lookout for each other and play golf. We look forward to seeing you all very soon. Cheers to a great summer of golf. If you have any questions on anything going on please feel free to contact us anytime. 208-734-7609
