

# Welcome to the 2021 Ice Cubed Cup

Hosted by

Jordan Gentry - Financial Advisor

First of all, thank you to our sponsors for the wonderful prizes and added money. Your support is greatly appreciated. This event format is going to be a little different, so please refer to this sheet if questions arise or feel free to contact the golf shop with any questions, 208-734-7609. Each team will play 9 holes of Best Ball, 9 holes of Scramble and 9 holes of Alternate Shot.

The front 9 (holes 1-9) everyone will play the 2 Person Best Ball format. Best Ball is when both players play their own ball and the best score becomes your team score for each hole on the front 9. The back 9 (holes 10-18) everyone will play the 2 Person Scramble format. Scramble is when you both hit, go to the best shot, both hit again, continuing until you are in the hole. Your Scramble score will be your team score for each hole on the back 9.

**For example:** If you start on hole #8, you will play a Best Ball on #8 & #9. Then when you go to #10 you will switch to the Scramble format for the back 9. After you play #18 and go to #1, you will switch back to the Best Ball format.

After you have played 18 holes of Best Ball and Scramble then your final 9 holes will be true Alternate Shot. Alternate shot is when one player tees off on the hole and then you alternate hitting shots until you hole out. Whoever makes the final put on each hole, the other partner will tee off on the next hole. For the final 9 holes of Alternate Shot you will remain on the same 9 hole you start on.

**For example:** If you start the day on hole #8, after you come around and play #7 your Alternate Shot round starts. You will then play #8, #9, and instead of going to #10 you will go to #1 and continue the Alternate shot format on the remainder of the front 9.

When you are finished, add your scores together and turn your scorecard into the club house and enjoy some delicious food and beverage from Billy & the gang.

A lot of effort and energy has gone into putting this event together. It is our goal to give everyone an opportunity to relax, have fun and spend some quality time with friends and family.
